Preparer's Mailing Address:

On behalf of my organization, I hereby affirm my personal commitment to fighting cancer through prevention, early detection and quality care. As CEO, I am committed to leading my organization in satisfying all of the requirements of the CEO Cancer Gold Standard™. My organization will ensure that our culture, policies, benefits, and programs assist our employees in practicing good health habits, participating in appropriate cancer screenings, and having access to quality cancer care including clinical trials. Further, we will strive toward continuous improvement in all areas addressed by the CEO Cancer Gold Standard™.
