

# 2019 RE-ACCREDITATION

## CEO CANCER GOLD STANDARD™

[www.CancerGoldStandard.org](http://www.CancerGoldStandard.org)

### PILLAR 1: PREVENTION

#### Tobacco-Free Workplace and Tobacco Cessation Support

- Maintain a comprehensive tobacco-free workplace policy that prohibits all forms of tobacco, including e-cigarettes and all other forms of electronic nicotine delivery systems.
- Provide coverage for evidence-based tobacco cessation treatments (counseling and FDA-approved prescription and nonprescription medications), at either no cost or at a reasonable cost-sharing level, for all employees and covered dependents enrolled in the employer's health plans.

**All** boxes must be checked:

- Available by Prescription Only (Rx): Bupropion SR 150 (generic or Zyban or Wellbutrin SR)
- Available by Prescription Only (Rx): Varenicline (Chantix)
- Available Over the Counter/OTC/Nonprescription: Nicotine Gum (generic or Nicorette)
- Available Over the Counter/OTC/Nonprescription: Nicotine Lozenge (generic or Commit)
- Available Over the Counter/OTC/Nonprescription: Nicotine Patch (generic or Nicoderm CQ or Nicotrol)

**Optional** - Please check **only** those boxes that apply:

- Available by Prescription Only (Rx): Nicotine Inhaler (Nicotrol inhaler)
- Available by Prescription Only (Rx): Nicotine Nasal Spray (Nicotrol NS)
  
- Provide employer-sponsored/ promoted tobacco-cessation programming and/or services.

#### Nutrition, Physical Activity and Healthy Weight

- Sustain a culture that values, enables and supports healthy food choices, physical activity and healthy weight management.
- Provide access to healthy nutrition, opportunities for physical activity and healthy weight management programming and/or services.

#### Vaccines

- Cover FDA-approved and CDC-recommended vaccines against the Human Papillomavirus (HPV), for both females and males (currently Gardasil, also known as Gardasil 9).  
*Note: The Centers for Disease Control and Prevention (CDC) Vaccine Information Statement (VIS) on HPV is [here](#).*
- Cover FDA-approved and CDC-recommended vaccines against Hepatitis B virus (HBV).  
*Note: The Centers for Disease Control and Prevention (CDC) Vaccine Information Statement (VIS) on HBV is [here](#).*

## PILLAR 2: SCREENING

- Ensure that covered employees and dependents have access to screening services for breast, colorectal, and cervical cancer at a reasonable cost-sharing level.
- Provide facilitation for appropriate cancer screenings.

## PILLAR 3: CANCER CLINICAL TRIALS

- Ensure that health benefit plans continue to provide coverage under the plans' existing terms when individuals elect to participate in cancer clinical trials.

## PILLAR 4: QUALITY TREATMENT AND SURVIVORSHIP

- Ensure that health benefit plans provide access to cancer treatment at Commission on Cancer-accredited programs and/or National Cancer Institute-designated cancer centers.
- Sustain a workplace culture that recognizes the needs of employees who are cancer survivors themselves or who are family members/caregivers of cancer survivors.

## PILLAR 5: HEALTH EDUCATION & HEALTH PROMOTION

- Ensure employees are educated and informed about the importance of cancer prevention, screening, clinical trials, quality treatment, and survivorship to enable and encourage appropriate behavior.
- Sustain a culture that promotes health education and encourages employee participation in healthy workplace initiatives.
